CATALONIA TRADE & INVESTMENT CONNECTS YOU TO THE *NUCLIS*

The best way to collaborate with international partners
to develop your R&D and Innovation projects.

Cooperation of Catalan companies with the following countries:

HOW WE CAN HELP

- Search of Catalan Partners for cooperation projects.
- Information on funding schemes for R&D projects with Catalan partners.
- Follow up during the implementation of the project.

Information on other technological opportunities in Catalonia such as events and others. **Whatever your nationality or the stage your project is in, contact us for more information.**
